2. **Entry to the Complex**

- Access to the complex is permitted only through designated and clearly marked points of entry. Complex staff may or may not be present at these locations. Upon request, all individuals entering the complex are required to submit bags, coolers, and similar items for inspection.
- Wristbands are not required for entry but are encouraged as a visible identifier of event participants and supporters.
    - Please refer to https://www.asanaseries.org/know-before-you-go-2026 for a full detail on how wristbands will be a part of the 2026 ASANA World Series week.

3. **Security**
    - Security cameras may be present throughout the complex, and activities may be subject to video recording for general facility operations.

    - All participants must follow all directions and instructions given by individuals identified as security, complex facility staff, and the ASANA Board.

4. **Food and Beverage**
    - No restrictions on outside food, water, ice, or coolers.
    - Outside alcoholic beverages are permitted, BYOB.

5. **Safety and Weather**
    - In the event of inclement weather, everyone in the complex will be notified by the sounding of an air horn or verbally by Tournament Operations and Umpires. We will only make this notification when we have been made aware of a serious weather event approaching the park.
    - Immediately upon notification, all individuals must evacuate the complex and seek shelter in a vehicle in the parking lot. In the event of severe weather or other emergencies, all exits will be available and should be used. Follow the directions of complex staff to access the nearest exit.
    - All communications on weather and schedule updates will be published electronically via official ASANA channels (e.g.: Tourney Machine app, ASANA Social Media Accounts, etc).
